

Phylogenetic tree showing relationships between 19 taxa, labeled with their IDs and binary character strings (e.g., 19 0110211221, 18 0100212000, 17 0100212221, 16 1111111211, 13 1110111221, 11 1111111111, 09 1101000011, 06 1111110121, 05 1111102001, 03 0101210021, 02 1111011101, 01 2111112001).

Phylogenetic tree showing relationships between binary sequences:

- 1101000011
- 1111110121
- 0101210021
- 0100212000
- 0110211221
- 0100212221
- 1110111221
- 1111111211
- 1111111111
- 1111011101
- 1111102001
- 2111112001
