

A phylogenetic tree showing the relationships between 12 taxa. The taxa are labeled on the right with a number followed by a 10-character binary string. The tree is rooted on the left and branches to the right. The taxa are grouped into three main clusters: a top cluster (04, 06, 07, 08), a middle cluster (18, 20, 21, 23, 24), and a bottom cluster (13, 16). The binary strings for each taxon are: 08 0101001001, 07 2101101001, 06 0111001001, 04 2122111100, 24 2111101221, 23 2110101221, 21 2211100221, 20 2121101101, 18 2121101121, 16 2100101000, 13 2102111000.
